

**Restricted Registration for Residents
Psychiatry Program
Schulich School of Medicine and Dentistry**

The resident may work in psychiatry ER and inpatient and outpatient adult psychiatry with their restricted registration.

Residents are not allowed to work at any sites in any major teaching centres, for example London, Ottawa, and Toronto Ontario. Any other centre is allowed, including teaching sites that are outside the major centre, for example Windsor Ontario, which is part of SWOMEN, provided the resident is not currently rotating at that site.

Resident must be a PGY 4 or 5 to work with a restricted registration

Residents MUST have successfully completed: Adult General Psychiatry (6 blocks in patients and 6 blocks outpatients). Also the resident must have completed another 12 blocks of training, which may include training in: Child and Adolescent Psychiatry, Consultation Liaison Psychiatry, Geriatric Psychiatry, or Rehabilitation Psychiatry.

The resident must attend a minimum of 70% of all Academic Day Activities

The program reserves the right to withdraw a residents restricted registration if: the resident fails any exam including the departmental oral examination or the PDM examinations, the resident receives a borderline or failing evaluation on a rotation, the resident is in remediation or academic probation for any reason or concerns regarding the residents professionalism have been raised. There may be other circumstances when a restricted registration may be withdrawn.

The resident must fulfill expected on call duties for adult and child and adolescent psychiatry in London Ontario.
